洗 头 床 系 列

专 职 专 注 · 品 质 服 务

洗头床又称为洗发床、冲头床等,属于理发店、美发店常见家具之一,用于客户坐式洗头或艄式洗头必备的理容器材之一。采用环保防水PU皮做面,采用定型海棉内作为填充物,床身可为不锈钢、实木等材料,洗头盆部分可为陶瓷盆或亚克力盆,其优点为: 款式经典大方,不占位置,实用性强。比较适合空间小的美容美发店或者其他地方。

Shampoo bed, also known as shampoo bed, punch bed, etc., is one of the common furniture in barbershops and hairdressers, and one of the necessary grooming equipment for customers to sit and wash their hair or lie down. Using environmentally friendly waterproof PU leather as a surface, the use of stereotyped sponge as a filler, the bed can be stainless steel, solid wood and other materials, shampoo basin part can be ceramic basin or acrylic basin, its advantages are: classic style generous, do not occupy the position, practical. More suitable for small space beauty salon or other places.
